

UNIFORMS FOR HAPPY HILL FARM ACADEMY

The cost of uniform and other clothing is the responsibility of the parent/guardian. Below, you will see the cost of every item and its description. Some items are required, some are only required if your student is a boarding student attending chapel or if they are in choir, and other items are available, but they are not required. After purchasing the required items, you may select the number of each additional item you want your student to have. You may also purchase more of each required item, if you wish. After your appointment for measuring on campus, the total of the items for your student will be placed on your monthly tuition statement, but you do not have to pay the entire amount all at once. You may divide it by 10 for a day student, or 12 for a boarding student, and include that amount each month along with your regular tuition amount, so that by the end of each school year, your student's clothing will be paid completely.

If a description says "3 Green Polo," and the price is \$24, that is the **total** price for all three shirts. Happy Hill Farm Academy works very hard to make low pricing for quality clothing available to our students. Please print this list, and bring it with you to your fitting appointment, so that you may mark the items you select and will understand the total clothing amount reflected on your tuition statement.

DESCRIPTION OF SHOES
